Oncor Electric Delivery

11/19/2026

Electricity Price

Average Monthly Use:	1,500 kWh	2,500 kWh	3,500 kWh
Average price per kilowatt-hour:			
Oncor Electric Delivery	**19.0**	**17.8**	**17.3**

This price disclosure reflects the total average price for electric service reflecting all recurring charges, exclusive of state and local sales taxes, and reimbursement, as applicable, for state miscellaneous gross receipts tax. The pricing assumes a demand meter with a 30% load factor. The price disclosure above is an estimate. A detailed list of the pricing components that are included in your energy rate can be found in the Pricing section of your Terms of Service. The price you pay will be based on the Fixed Energy Charge per kWh, plus your applicable Transmission and Distribution Utility (TDU) charges passed through at cost without markup, plus applicable state and local taxes.

Fixed Energy Charge per kWh	9.7¢/kWh

Other Key Terms and Questions

See Terms of Service statement for a full listing of fees, deposit policy, and other terms.

Disclosure Chart

Type of Product	Fixed
Contract Term	18 Month(s)
Do I have a termination fee or any fees associated with terminating service?	If you terminate your service prior to the expiration of the contract term, an early termination fee will apply based on your annual historic consumption. Early termination fees are listed in the Terms of Service, under "Early Termination." This fee will not apply if you move and provide a forwarding address or other evidence to verify that you have moved.
Can my price change during the contract period?	Yes
If my price can change, how will it change and by how much?	Your price can change to reflect actual price changes that are allowed by Public Utility Commission rules due to changes in law, transmission and distribution service provider's charges, or regulatory charges. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
What other fees may I be charged?	Please see the "Pricing", "Billing", "Payment and Payment Arrangements", and "Deposits" sections of your Terms of Service for fees not included in the recurring charges.
Is this a pre-pay or pay in advance product?	No
Does Champion purchase excess distributed renewable generation?	No
Renewable Content	20.0%
Statewide average for Renewable Content	25.0%
