Electricity Price

Average Monthly Use:	500 kWh	1,000 kWh	2,000 kWh
Average price per kilowatt-hour :			
Texas-New Mexico Power	**13.8¢**	**13.0¢**	**12.6¢**

The average price per kWh includes the TDU Delivery Charges and Champion Energy Services Charges listed below, as well as the PUC Assessment charges and recurring TDU fees. Prices do not include applicable taxes. All price calculations assume that 30.0% of usage occurs during Weekends and 70.0% of usage occurs during Weekdays. Your average price will vary based on usage as reported in interval data from your advanced meter.

Customers that are enrolled in Free Weekends Cash Back will get 5% of their electricity consumption charges for a given month applied as a credit on their next month's bill while the reward program remains in effect. Customers will no longer receive cash back rewards if (1) they have dropped Champion as their service provider, (2) the 24-month FWCP term has expired and the customer does not renew on another cash back plan, (3) they switch to an alternate plan that does not include cash back rewards, or (4) they are delinquent in paying their monthly bills.

Other Key Terms and Questions

Utility delivery charges include all recurring passed through charges from the utility without markup. The total kilowatt-hour usage shown on your monthly invoice will be the total usage based on interval data provided from your advanced meter. Interval data from your advanced meter will determine the usage at each time of use rate. In the event of missing intervals, each interval of the Interval Data will be proportionately adjusted so the sum of all intervals equal the Billed Usage provided by the TDU (ending read minus beginning read).
Champion Energy offers your choice of email or paper bills at no additional charge.
See Terms of Service statement for full listing of fees, deposit policy and other terms.

Disclosure Chart

Type of Product	Fixed Rate
Contract Term	12 Month(s)
Do I have a termination fee or any fees associated with terminating service?	Yes, Early Termination Fee: $150.00 If applicable, Champion will assess the termination fee for termination of service prior to the end of the contract term. This fee will not apply if you move and provide a forwarding address or other evidence to verify you have moved.
Can my price change during the contract period?	Yes
If my price can change, how will it change and by how much?	**The fixed energy charge from Champion Energy will not change for the duration of the agreement. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.**
